Automotive Service List for Cars & MUVs

Bearing Positions - Cars

Front Wheel driven car with engine and transmission cross mount.

Front Axle

- 1 Front wheel, inner
- 2 Front wheel, outer

Engine

- 3 Water pump
- 4 Flywheel
- 5 Clutch release
- 6 Steering column

Transmission

- 7 Input shaft, right
- 8 Input shaft, left
- 9 Counter shaft, right
- 10 Counter shaft, left
- 11 Differential right
- 12 Differential Left

Rear Axle

- 13 Rear wheel, inner
- 14 Rear wheel, outer
- 15 Alternator right
- 16 Alternator left
- 17 Steering rack pinion

Note :

This publication gives information regarding appropriate SKF products for various bearing applications in the majority of makes and models of motor vehicles. The manufacturer's spare parts information is also given where such information has been provided to us. For certain bearing types SKF India could have either discontinued the production in India or such bearing types are made in its factories globally. Please check with your SKF automotive distributor or an SKF representative for more information.
